Statement of purpose, Part 2

Aims and objectives in providing the regulated activities and locations within the trust

Located in Wirral in North West England, we provide high-quality primary, community and public health services to the population of Wirral and parts of Cheshire and Liverpool.

On 1 June 2017 the trust formally began to provide integrated adult health and social care services for patients and service users in their local communities. This demonstrates the trusts' continued commitment to transforming public services responding to the needs of the communities we serve.

We play a key role in the local health and social care economy as a high performing organisation with an excellent clinical reputation. Our expert teams provide a diverse range of community health care services, seeing and treating people right through their lives both at home and close to home.

Our commitment to quality underpins our determination to achieve and demonstrate the sustainability, efficiency and effectiveness of our organisation. At the heart of this we will retain our focus on delivering and developing demonstrably safe, effective and high-quality services.

Our common purpose recognises the important role we play in delivering integrated care with partners in the local health economy.

Our common purpose is:

Together...we will support you and your community to live well

Our values will help us to achieve our vision:

Compassion: supportive and caring, listening to others

Open: communicating openly, honestly and sharing ideas

Trust: trusted to deliver, feeling valued and safe

Our services are local and community-based, provided from around 50 sites across Wirral, including our main clinical bases, St Catherine's Health Centre in Birkenhead and Victoria Central Health Centre in Wallasey.

We also provide integrated 0-19 services in Cheshire East comprising health visiting, school nursing, family nurse partnership and breastfeeding support services from 13 bases.

From 1st September 2021 the Trust has provided the 0-19 Healthy Child Programme (HCP) in St Helens. The HCP is the early intervention and prevention public health programme that lies at the heart of universal services for children, young people and families at a crucial stage of life.

The service is delivered in individual's homes and in community venues such as

health centres, children's centres and schools. We work with our locality partners to co-deliver services, working closely with GPs, midwives, hospitals, early years services, schools, partner agencies and voluntary services. The service is delivered from four core bases included Haydock Medical Centre, Moss Bank Children's Centre, Billinge Health Centre and Station House Children's Centre.

In addition, from the 1st of February 2022, the Trust will deliver the 0-25 Healthy Child Programme in Knowsley.

The Knowsley HCP consists of services for children and young people aged 0-25 and their families, and is delivered by a team of Health Visitors, School Nurses, Public Health Nurses, Nursery Nurses, an Infant feeding team and screeners who will provide expert information, assessment and interventions.

The service will also include an Enhancing Families Service, who will deliver a targeted programme of support to vulnerable parents-to-be and parents, as a targeted aspect of the HCP. There will also be specialist roles, supporting Special Educational Needs and/or Disabilities (SEND), Mental Health, Early Help and Youth Offending.

The service is delivered in individuals' homes and in community venues such as health centres, children's centres and education settings.

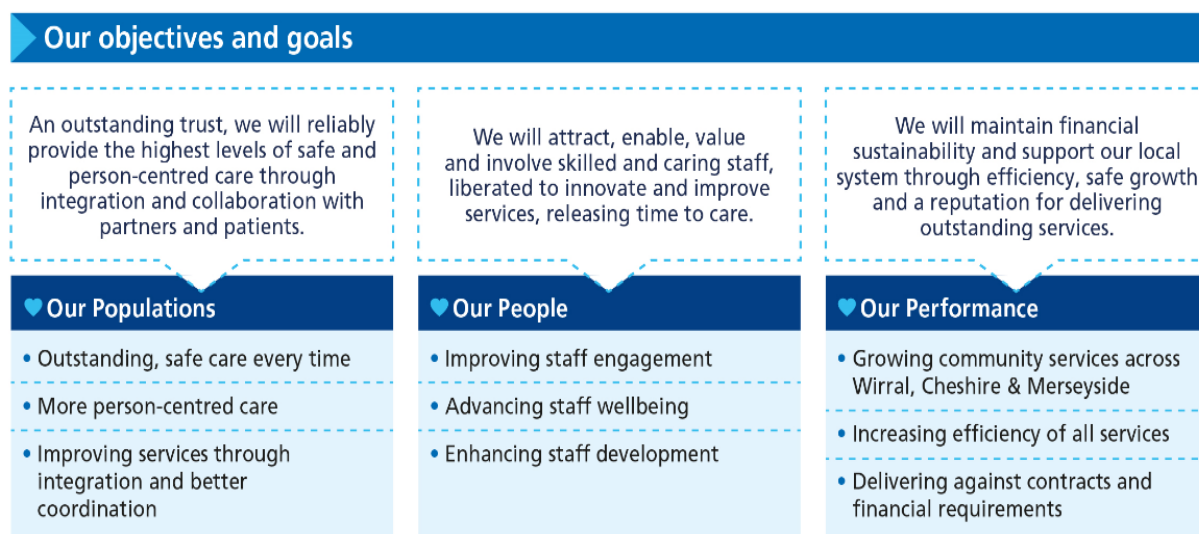

The main service delivery base will North Huyton Primary Care Resource Centre.

The Trust are commissioned to provide inpatient beds for the purpose of rehabilitation and reablement; this service is delivered at the Clatterbridge Hospital site.

Strategic objectives and goals

Our vision and values, our assessment of population need and our understanding of local and national priorities have informed our strategic themes and priorities for 2018-2021.
