Purpose		
<p>The purpose of this report is to provide the Board of Directors with a summary of performance across the Trust live from the new Integrated Performance Dashboard in the Trust Information Gateway (TIG).</p> <p>The position reported to the Board follows presentation at each of the sub-committees of the Board during May and June 2022.</p>		
Executive Summary		
<p>The Integrated Performance Report provides a summary of performance across operational, quality, workforce and financial metrics. The report provides an in-month and YTD position.</p> <p>The Integrated Performance Board met on 25 May 2022 to review performance for M1.</p> <p>The Integrated Performance Dashboard will be presented 'live' at the meeting of the Board of Directors to provide an update on Trust performance across all domains. This report should be considered alongside the briefings from the Chairs of the committees of the Board.</p>		
Risks and opportunities:		
<p>The Integrated Performance Dashboard provides an opportunity to review operational risks live from Datix including risks by age profile.</p> <p>There are no risks to escalate to the Board of Directors. The Board Assurance Framework provides an overview of all strategic risks which are mapped to high-level organisational risks through the work of the sub-committees of the Board.</p>
