Original Request and Response

Hope you are well. Please can I be provided with the figures for the number of people without a fixed abode who have been discharged from hospitals within your trust over the past five years.

Please can you provide this data in the following way.

- By annual year for each of the following years: 2018, 2019, 2020, 2021, and 2022 so far.
- Please can you provide one figure for each year, taking in the total discharges from your NHS trust.

Please can I also be provided with the figures for the number of people without a fixed abode who were readmitted within six months.

Can you please provide this data in the same way as above.

Response: N/A as the Trust does not have a hospital.
