across the Trust live from the Integrated Performance Dashboard in the Trust Information Gateway (TIG). The position reported to the Board follows presentation at each of the sub-committees of the Board during September and October 2023. <b>Executive Summary</b> The Integrated Performance Report provides a summary of performance across operational quality, workforce and financial metrics. The report provides an in-month and YTD position.					
The Integrated Performance Board met on 27 September 2023 to review performance up to and including M5. The Integrated Performance Dashboard will be presented 'live' at the meeting of the Board o Directors to provide an update on Trust performance across all domains. This report should be considered alongside the briefings from the Chairs of the committees of the Board.					
<b>Risks and opportunities:</b> The Integrated Performance Dashboard provides an opportunity to review operational risks live from Datix including risks by age profile. There are no risks to escalate to the Board of Directors. The Board Assurance Framework provides an overview of all strategic risks which are mapped to high-level organisational risks through the work of the sub-committees of the Board. <b>Quality/inclusion considerations:</b>
