Re: Freedom of Information Request

Original Request and Response:

To whom it may concern,

I am writing to request, under the Freedom of Information Act 2000, the following:

1. Please provide the number of times your Trust called in emergency contractors or builders for unplanned maintenance and repair works in 2022.
2. Please provide the total cost of emergency contractors or builders for unplanned maintenance and repair works in 2022.
3. Please provide the largest cost for a single unplanned maintenance and repair work in 2022.

If it is not possible to provide the information requested due to the cost of compliance limits identified in Section 12 of the FOI Act, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

I request that the information be sent to me digitally and within the legal timeframe for requests.

Response: Wirral Community Health and Care NHS Foundation Trust did not have any unplanned emergency work in 2022.
