## YOUR IPC SERVICE NEED YOU!

### BE AN IPC CHAMPION WITHIN YOUR OLDER PERSONS CARE HOME

An opportunity for you to **engage** with your local IPC team. The programme will include demonstrations, guest speakers, and representatives from the health and social care sector. What better way to **learn** from **specialists** on topics that matter to you, with scope to seek **support, advice** and **network** with colleagues.

The IPC Digital Hub holds a wealth of information easily accessible at the click of a button. Find out more, including further information about our online training videos and upcoming training sessions, and how to book on by visiting: [www.wchc.nhs.uk/services/infection-prevention-and-control/](http://www.wchc.nhs.uk/services/infection-prevention-and-control/)
