communities and support the work of the Wirral Place, and the Cheshire and Merseyside Integrated Care Board (ICB). The IPR directly supports mitigation across all risks in the Board Assurance Framework as it provides performance against quality, people, finance and operational metrics.

Quality/inclusion considerations:

Quality & Equality Impact Assessment completed and attached No.

The impact assessments are undertaken at service level and during the development of the Trust strategies.

Financial/resource implications:

None identified.

The Trust Vision - To be a population health focused organisation specialising in supporting people to live independent and healthy lives. The Trust Objectives are:

- Populations We will support our populations to thrive by optimising wellbeing and independence
- People We will support our people to create a place they are proud and excited to work
- Place We will deliver sustainable health and care services within our communities enabling the creation of healthy places

Please select the top three Trust Strategic Objectives and underpinning goals that this report relates to, from the drop-down boxes below.

| Populations - Safe care and | Place - Improve the health of | Place - Make most efficient |
|-----------------------------|-------------------------------|-----------------------------|
| support every time | our population and actively | use of resources to ensure |
| | contribute to tackle health | value for money |
| | inequalities | |
